

PUT YOUR BRAND ON THE BIKE.

FOUR RIDERS · ONE SV650 · NINE HOURS · A GOOD CAUSE

THE TEAM

Team Mega Fast Dudes (TMFD) is a grassroots amateur motorcycle endurance team from Vancouver Island — Troy, Mika, Fin, Darby, running #69. We're prepping a mostly stock 2006 Suzuki SV650 to survive nine hours of continuous track riding. We're not a factory team. We're local riders taking the prep, the safety, and the cause seriously — while having a good time doing it.

THE EVENT

Isle of Van 2026— a nine-hour motorcycle endurance charity event.

- Sunday, August 23, 2026, 9:00am - 6:00pm
- Vancouver Island Motorsport Circuit, near Duncan, BC
- Teams share one bike, riding for max laps
- Raises money for local & provincial charities

WHY SPONSOR US

Endurance riding has real costs: entry, tires, fuel, brakes, safety gear, decals, and prep. Your sponsorship helps cover them and gets us to the grid prepared. In return you get genuine, good-faith promotion: your brand on the bike, in our graphics, across our social posts, and in our photos and event recap. We're grassroots, so we won't promise impressions or ROI — we promise honest promotion and real work.

WHAT SPONSORS RECEIVE

- Decals / logo on the bike
- Listing on sponsor page
- Logo on team graphics
- Social thank-you & features
- Photos with your branding
- Post-event recap inclusion
